Regulations for Use of Christ Church Facilities

Non-Parish Related Events

Various groups may use the facilities of Christ Church for private events, following established guidelines. The following regulations for the use of all parish facilities and grounds are outlined below. These guidelines have been established to insure that the facilities and grounds are properly maintained and preserved. Each request will be approved by committee before consent for use is given. In order for your use to be approved, these regulations must be complied with.

I. The application Process:

- * The Rector and Wardens of Christ Church have the right to approve or deny the request for usage depending on what they deem as “appropriate use” of parish facilities. Dates and times for use of parish facilities may be further determined by availability on the Parish’s master calendar.
- * All interested parties must submit the attached “Request for Use of Parish Facilities” form to Christ Church for approval. Additional copies of these forms may be obtained from the Parish Office, or printed from our website. All requests must be submitted *as early as possible and at least four weeks prior* to the first day of requested use. Notification of approval or denial will be sent accordingly.
- * A security deposit of \$200.00 is required at the time an application for the use of the facilities is made and an interview conducted. This deposit is refunded following the event if no damages are made to the property and the facilities are left in good order, other wise it is retained. Ten days prior to the event, contributions (see schedule of fees) are received. If the event is cancelled, the security deposit may be forfeited.
- * A Certificate of Liability Insurance in the amount of \$1,000,000.00 (one million) which designates the “Wardens, Vestry and Clergy of Christ Church” as loss payee may be required as a condition for permission to use the parish facilities. Proof of Insurance is required prior to event date, *without exception*.

Please Note:

- * Failure to comply with regulations will terminate any further usage of Parish Hall by that individual or organization.
- * The selling of any items on parish property must be approved in writing by the Rector and Wardens of Christ Church.

Facilities

* The Parish Office(s), all classrooms and all second floor and lower (basement) level areas are strictly off limits during all functions. It is the responsibility of the user to enforce this restriction.

Any resulting damage or disturbance of these areas during an event may result in forfeiture of security deposit and additional damage cost.

II. Set-Up:

* It is the user's responsibility to provide Christ Church with a layout of the room use, including arrangement of tables, equipment, sound system, etc.

* It is the user's responsibility to handle actual room set-up, including table and chairs arrangement.

* Access must be requested for set-up prior to the event.

III. Clean Up:

* All tables and chairs must be returned by the users to their proper storage place after use.

* All areas used for preparing and eating of food, including the kitchen, must be thoroughly cleaned with appropriate cleaning agents, provided by the user.

* All litter and garbage must be bagged and taken out to the storage shed by the end of the function. Bags will be provided.

* If the kitchen is used, all utensils, dishes and other glassware must be properly washed and put away, all counters wiped clean and all areas left in "as found" condition.

* Windows must be closed and latched, all lights turned off and the facility properly secured.

IV. Decoration/Art:

* Decorations on all interior walls and hallways are to be attached to existing cork stripping or hooks, where available. Any additional or more extensive plans for decorating (exclusive of classrooms) *must be approved in advance*.

V. Audio/Visual Systems:

* Only a parish-approved technician may operate any audio and/or visual system that belongs to the parish.

* Audio/visual systems imported for an event are the responsibility of the outside group, and *must be approved* by the parish prior to any use.

VI. Alcohol, Tobacco and Drugs: (*the following represents Diocesan policy*)

* Smoking is **not permitted** within any facility of the parish.

* The use of illegal drugs is not allowed on parish property.

If you have any questions, please contact Amber Maly at the parish office: (516) 922-6377 ext 101 or e-mail office@christchurchoysterbay.org.

Facilities

* The use of alcohol on parish property must conform to the following Diocesan guidelines:

- a) Non-alcoholic beverages should be made available and should be presented as attractively as alcoholic beverages.
- b) All beverages should be identified clearly as “with” or “without” alcohol.
- c) If beverages are to be sold, non-alcoholic beverages should be less expensive than alcoholic ones.
- d) Food should always be available when alcoholic beverages are served.
- e) Food with alcohol content should be labeled as such, for those who are chemically sensitive.
- f) Persons under the legal drinking age should not be permitted to serve or to be served alcoholic beverages, including beer and wine.
- g) Time limits should be set and followed (i.e. wine during the meal) when alcohol is to be served.

VII. Pets/Animals:

* Pets and animals are not allowed within any facility of the parish unless they are part of an approved event or needed for medical reasons.

VIII. Facilities Management:

- * In the event that any damage to the facility (or equipment) used occurs, a recommendation will be made to the Rector regarding the cost of correcting the damage. The group using the facility must cover any and all damages.
- * If deemed necessary, the Rector may contract a cleaning service if the facility is not properly cleaned after its use. The cost of that service will be passed on to the user of the facility. This may include payment to parish maintenance staff at an equivalent rate to each individual’s hourly wage.
- * Any damage to the facilities or equipment must be reported to the Parish Office within 24 hours of the use of the facility.

If you have any questions, please contact Amber Maly at the parish office:
(516) 922-6377 ext 101 or e-mail office@christchurchoysterbay.org.
